Swiss International Real Estate Portfolio AG (SWIREP) strengthens capital base

The real estate division of Studhalter International Group, Swiss international Real Estate Portfolio AG (SWIREP), carried out a capital increase at the end of June 2021. The equity was increased by CHF 4 million to CHF 10 million in order to further expand and continuously grow the portfolio. SWIREP invests in directly held real estate and focuses on commercial and (upscale) residential properties in various stages of development (primarily in central Switzerland).

About Studhalter International Group AG

Studhalter International Group AG, headquartered in Lucerne, is the umbrella organization of "Swiss International Investment Portfolio AG - SWIIP", "Swiss International Real Estate Portfolio AG - SWIREP" and the group management and multi-client family office company "Swiss International Advisory Group AG - SWISSIAG".

SWIIP focuses on private equity investments, and holds substantial stakes in various companies in which the management of Studhalter International Group is actively involved in strategic development. SWIREP invests in directly held real estate and focuses on commercial and (upscale) residential properties in various stages of development. SWISSIAG is a service provider in the areas of multi-client family office services, financial services, real estate and development.
